Chad,

Attached is the memo I promised regarding our proposed Clean & Healthy First Annual Ocean's Summit tentatively scheduled for next June. Also is a list of potential invitees who would may be invited to be part of the R9 Coalition. (We have just start putting the list together.) We will vet the final list with you before formal invites go out. Also if you or Administrator Wheeler can recommend additions to the list it would be appreciated. Philanthropists, Universities, NGO's and Non-Profit organizations whose mission or goal is clean & healthy oceans are invitees of the Coalition. Our goal is to bring all these stakeholders together so the people who write checks, do the research or are actually in the field doing the work are talking to each other. More detail to follow with the write up you have requested.

Best regards,
